Date: 3 Nov 2014

Subj: Floyd County Georgia, Informal Invitation to Bid 14-1113 Library Carpet

Based on the Pre-Bid Meeting held this date the following clarification is provided and incorporated into the bid specifications.

### GENERAL:

All Computer and Electronic Equipment will be unplugged and or removed by Library personnel prior to the contractor installing the carpet.

### HERITAGE ROOM:

The center table mounted around the support pillar is the only fixed furniture in this room. All other furniture and shelving will be moved by the contractor for the carpet installation.

The transition leading to the Microfiche Room at door # 147 currently does not have a threshold. Contractor will install a new rubber threshold at this door.

Room 134 in the rear of the Heritage Room is included and will be carpeted including the closet space located in this room.

### CHILDRENS ROOM:

The drawing does not depict a small room in the rear of the children's area at door 151. This room **WILL NOT BE CARPETED** however the contractor will install a rubber threshold at this door.

All cove base in the carpet area will be replaced. Cove base in the front entrance tile area of this room will not be replaced. Contractor will match cove base to ensure a seamless transition from the carpeted area to the hard tiled area.
