Balotar – Ballot on Demand information will be put back on agenda for next meeting. More investigation needed per Steve and Mardi.

May 14, 2016 will be Saturday's Early Voting and Mardi suggested asking the advance workers first about working from 9am-4pm.

May 21, 2016 will be Bulk Update starting at 10 am. Board and staff will be here at 10 am. Mardi asked the question to have the machines setup like previous. Donna and I stated that Willie did that on his own and we would not have a crew available to do it.

Staff reported L&A completed and no change to the amount of machines going out.

Vanessa reported on Willie's behalf the North/Town Rome crowd control issue will be handle by adding stanchions. County manager approved the budget transfer on the balance of the computers to be used for the stanchions.

Voter's experience surveys was discussed. The overall outcome was very good.

Discussion of having VFW Precinct moved to Renaissance and the staff doing the Logic and Accuracy testing will be ongoing and back on next month's agenda.

Board would like to reserve the Conference Room for May 18, 2016 at 12:00 pm. They would also like to check the OS machines in the server room to confirm we have two Absentee and two Provisional. Plan to use four Absentee units in November 8, 2016 Election.
