

## Equal Opportunity Employer

Floyd County Government is an Equal Opportunity Employer and does not discriminate on the basis of age, gender, race, color, national origin, religion, disability, or any other class or status protected by law.

Floyd County is also a Drug Free Workplace.

## E-Verify /SAVE

Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States. We participate in E-Verify (Employment Verification). We will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS) with information from your DHS Form I-9 to confirm work authorization. If we cannot confirm that you are authorized to work, we will provide you written instructions and an opportunity to contact SSA and/or DHS.

State law requires all cities to register with both the federal Systematic Alien Verification for Entitlements (SAVE) program and the federal E-Verify programs. State law also requires all cities in Georgia to post the "E-Verify Company Identification Number" and the date of admission into the program on the city's website.

**E-Verify Company ID: 78422**

**E-Verify Registration Date: December 26,2007**

Employment identification is only for employees under the administration of Floyd County Government. Some positions with Floyd County require the applicant to be a U.S. citizen, which is stated on the job application. All new hires are required to complete federal I-9 employment verification forms upon hire, and Floyd County uses the federal E-verify system to confirm the employment authorization of all new hires.
