

Bid 028-15
Compact Track Loader
Addendum 1

Please provide a price for the following:

1. CID, 72 “ Xtreme, Direct Drive, High Flow Mower with any necessary components to attach to the compact track loader. This pricing should be separate from the loader.
2. The 84 “smooth edge bucket” should not be included in the price of the compactor. It should be provided as a separately priced item.

Thank you,

Bill Gilliland
