ADDENDUM # 1

TO: ALL PROSPECTIVE FIRMS

Date: 02 May 2017

Subj: Floyd County Georgia Bid 17-0518---Production Video and Wayfinding System

The following is a statement of additional requirements for this project.

The system should be integrated so as to have the following additional operating features:

1. The system must be able to provide live action using the PTZ cameras broadcast to the existing video screens and monitors simultaneously.
2. The system must have the ability to interface a tripod or shoulder mounted camera into the PTZ cameras for broadcast.
3. The system must be able to provide live or replay to one screen or both video screens and monitors simultaneously.
4. The system must be able to provide live or replay to one screen while showing different output on the second screen.
5. The system must have the ability to preserve the entertainment on hard drive or media as needed and also be available for download from the new website.
6. The system must have the ability to edit the content as required for later download or burn.

This addendum is to be acknowledged and returned with your bid package.
