ADDENDUM I
SCOPE OF WORK UPDATES

1. 8 ft. double doors to cover electrical panels in kitchen.
2. Custom wood cabinets in the kitchen. Reference Home Depot Kraftmade “Husk”. Please give separate pricing for top cabinets and bottom cabinets.
3. Re-route HVAC return in the ceiling in the small dining room to accommodate structure to kitchen expansion.
4. Please remove the janitorial closet specifications. We will not be building janitorial closet space as specified.
5. Tile for kitchen area should be Tile Factory Outlet – Adairsville Branch 18 x 18 Spring Valley or equivalent.
6. Wall paint colors to be Sherwin Williams paint. Walls should be SW6106 Kilian Beige; Baseboard and trim should be SW6111 Coconut Husk.
7. Specifications for counter top material should be changed from granite to commercial stainless steel.
8. Specifications for a sliding wall partition should be deleted. Instead, a storage closet addition will be added in the back right corner of the small dining room. Dimensions will be approximately 5 ½’ x 24’ with double doors on left end of addition. This will be a permanent structure
9. Electrical outlets and thermostat will need to be relocated to the new storage closet exterior wall.
10. Insulate inner wall and install door weatherstripping.
11. Switch existing door on Chair Closet to swing into the storage room to the right.

- 12.** Serving window included in extension of kitchen wall will have a commercial stainless window with stainless roll-up window into small dining room.
- 13.** The current kitchen serving window wall is a load bearing wall structure. The whole wall will not be totally removed. Please the open the area as much as building code will allow without adding a structure beam.

Thank you,
