QUESTIONS & ANSWERS

1. Bonding Requirements: At the pre-bid walk through, bonding requirements were mentioned and a confirmation of what would be needed was promised. **Please be aware that both payment and performance bonding will be required for the Fairview School Rehabilitation Project. The AIA A-312 is an acceptable form for project bonding and a sample is attached with the attachments.**
2. Will Davis-Bacon wages be required? **The Georgia Historic Preservation Division has determined that, due to the use of federal grant funding for portions of the Fairview School Rehabilitation project, Davis-Bacon Act wage rules are in effect for the whole project. The Davis-Bacon Act requires payment of prevailing local wage rates to all laborers and mechanics on projects in excess of \$2,000.**
