ADDENDUM #5
SCOPE OF WORK UPDATES

Addendum #4 shows the updated drawings of the Pollock Street lots. These drawings should be showing the location of the four proposed houses down on Pollock with them being shown as “Slab On-Grade” along with their addresses. We have also shown the existing drives to be removed as well as the location of the four new drive aprons along with an attached detail of how the drive aprons are to be constructed.

Thank you,

Johnna M. Allen
Purchasing Director
