ADDENDUM # 1

To: To Whom It May Concern

Date: 6/17/19

Subj: **ADDENDUM 1: Bid 19-0627 Household Hazardous Waste Services**

Questions have been received regarding this bid. The following clarification is provided.

1. All bidders are to replace the bid page with the revised bid page attached. All pricing will be in pounds for the estimated quantities. Some items were previously identified by container size.
2. Dry Cell Batteries has been changed on the Bid Sheet to Rechargeable Dry Cell Batteries.
3. Billing for the Chemist and 5 Techs will be billed by the day. Use the revised Bid Page attached.
4. Contractors must be licensed to operate in the State of Georgia.
 - Should your company be licensed in another State and this license is recognized by the state of Georgia; This will be acceptable. It is the intent of Floyd County to do business with a reputable and ethically responsible hazardous waste disposal company. Contractors are to provide documentation to reflect as such and to provide a response that clearly identifies where the Hazardous Materials will be disposed of.
5. Contractors are to price the Mobilization with and without Latex Paint with modified Bid Sheet
6. Floyd County will provide approximately 30 day's advance notice if Latex paint will be processed by the contractor.
7. Floyd County will typically keep Fire Extinguishers, Car Batteries, Bulk Motor Oil, and Antifreeze to offset our cost, however should the need arise we are asking contractors to price these items
8. Trash generated from the event (I.e. Emptied Containers, Cardboard and the like) will be handled by the County. Receptacles will be available and the County will be responsible for the disposal.
9. In addition to the above clarification the awarded contractor is to invoice in the same manner as the Bid Sheets Unit of Measure "IN POUNDS" by the price per pound as bid.

You are acknowledging this addendum is understood and to be returned with your bid package. This Addendum becomes part of the bid requirements.
