Bid #039-19
Cab and Chassis

Addendum III – Questions and Answers

1. What type of body is going on this truck? (we know that there is no body included in this bid)

It is a Reading body that we already have that is going to be refurbished

2. General Info GVWR item # 3 says 3000 we will be approx. 34,000

It was supposed to say 30,000. Anything above that will be fine.

3. Transmission item #9 this is a very special frame with an extra cut out for the pto
....adds time to delivery if absolutely needed

The PTO will be on the left side of the transmission.

4. Front axle item # 8Maintenance -Free brake system...no one knows what that means at the factory ?

This was a typing error

5. Frame Rail and Equipment Item # 5 Do you want a 40 or 50 gallon fuel tank 151L
is a 40 gallon tank

Either a 40 or 50 gallon fuel tank would be sufficient.
