## Addendum I Questions and Answers for Debris Management: Bid #19-1203

### QUESTION:

Page 2 states: In addition, the successful supplier(s) shall submit the following items within ten calendar days of written notification from the county of the bid award:

1. Proof of a valid and current business license from the city/county where the business is located.
2. Proof of General Liability, Workmen's Compensation Insurance and other insurance as specified in this document.

However, page 17 under Tab 4 states:

Proposer must include a copy of a current certificate of insurance naming the City/ County along with a copy of their current business license with the City/ County, failure to do so will result in rejection of proposal.

### ANSWER:

Proposals will not be rejected if these items are not received with the bid. However, Both items must be provided before any award will be made and any work can begin.

### QUESTION:

Can you please confirm that the language on page 2 is correct?

ANSWER: The contractor will not be responsible for any landfill fees.

Thanks,
