Building Inspection requires a site plan including setbacks for all pools.

Health Department approval may be required.

JOB COST: _____

If mailing a check, please send to Building Inspection P.O. Box 1433 Rome, GA 30162

*A pool fence permit must be bought at the same time as the pool permit.

**CITY OF ROME & FLOYD COUNTY
BUILDING INSPECTION
POOL AND/OR FENCE APPLICATION
AFFIDAVIT OF SWIMMING POOL OWNER**

I, _____, am the owner of the property at _____.
My Pool Contractor is applying to construct a pool on this property and will purchase the pool fence/enclosure on my behalf. **I will be the responsible party to construct the pool fence/enclosure.**

I understand that retaining walls, decks, pergolas, pool houses, and other accessory structures will be permitted separately from the pool and pool fence.

I have reviewed the City or Rome/Floyd County procedures*, including enclosure and fencing requirements, and, by signature below, do hereby agree by the same. I will not allow the pool to be filled or used until the enclosure/fence is in place and the City of Rome/Floyd County Building Inspection Department has issued a Certificate of Completion.

*The requirements for pools and fencing/enclosures can be found at <https://www.romefloyd.com/departments/building-inspection>
