Questions and Answers I

Old Mill Springs Concrete Cover Renovation Bid #20-0820

1. Question: Will water and a meter be furnished by the county?
Answer: Yes, The County will furnish all water and install a meter.
2. Question: Are cracks that are not currently caulked required to be clean and caulked?
Answer: Yes, all cracks whether caulked or not caulked should be repaired as described in the specifications.
3. Question: Is it correct that all horizontal and vertical (exposed above ground) to be repaired and coated?
Answer: Yes, all exposed concrete surface above ground must be repaired and coated.
4. Is there a restroom inside the building or should contractor furnish a port-a-let?
Answer: There are no toilet facilities at the site. The contractor must provide a port-a-toilet and the cost should be included in the bid.

Thanks,
Bill Gilliland
